

Appointment of Mr. Jacques Perron to Board of Directors

Liberty Lake, Washington, May 27th, 2010 - Hunt Mining Corp. (the "Corporation") (TSX VENTURE: HMX), is pleased to announce the appointment of Mr. Jacques Perron, P. Eng to the Corporations board of directors effective May 25th, 2010.

Mr. Perron is President and Chief Executive Officer of St. Andrew Goldfields Ltd. (SAS on TSX), a Canadian based gold producer and mining company with an extensive land package in the Timmins mining district, Northeastern Ontario.

Mr. Perron obtained his B.Sc. in mining engineering at l'École Polytechnique in 1984 and until 2000 he held engineering or management positions with Noranda Inc., J.S. Redpath and Cambior. Following the acquisition of the Cambior Quebec base metal assets by Breakwater, he was appointed General Manager of Breakwater's Quebec Operations. Between 2001 and 2004, he managed all business activities at the Campbell Mine for Placer Dome and subsequently the Key Lake/McArthur River operations, followed by the BPEP project (business process enhancement project) for the uranium producer, Cameco. In 2004, he returned to Cambior as Vice President, Canada and was in charge of the Canadian assets including three gold mines and one niobium operation. When IAMGOLD acquired Cambior in 2006, the South American operations were added to his responsibilities. In October 2007, Mr Perron joined St Andrew Goldfields Ltd.

Matthew J. Hughes, President and CEO of Hunt Mining states "We are extremely pleased with the addition of Mr. Perron to the board. His appointment will strengthen the board and he will be instrumental in guiding and expanding our Argentina exploration and development strategies. Mr. Perron's extensive experience in mine development, operations and oversight will be invaluable as we move towards production at our Flagship La Josefina project in Santa Cruz Province Argentina".

This appointment is subject to TSX Venture Exchange approval.
